End User's Limited Warranty

VV International B.V. ("ViVest Europe") warrants to the original purchaser that its AEDs and its associated accessories (e.g., batteries and pads), shall be free of any defect in material and workmanship according to the terms and conditions of this Limited Warranty. For the purpose of this Limited Warranty, the original purchaser is deemed to be the original end-user of the product purchased.

This Limited Warranty is non-transferable and unassignable. The terms of the Limited Warranty in effect as of the date of original purchase shall apply to any warranty claims.

For how long?

This Limited Warranty covers the following products or parts for the following time periods:

- Eight (8) years from the date of purchase for PowerBeat X1/X3 AED automated external defibrillators and (2) years for PowerBeat X1/X3 trainers.
- The battery's limited warranty is for a period of five (4) years from the date of purchase, but in no event shall the limited warranty period extend pass the expiration date printed on the battery. Please note that in cases where the battery is depleted due to usage (e.g., during a rescue), this is considered normal use of the AED. However, a new replacement battery is not provided under warranty in such case.
- Disposable defibrillation pads shall be warranted until the expiration date.

Limited warranty does not cover:

This warranty does not cover damage caused by misuse, abuse, accident, neglect, unauthorized modification or repair, improper installation, or any other circumstances beyond normal intended use.

Limited warranty does not cover:

ViVest-Europe's liability under this warranty is limited to the repair or replacement of the defective products, and in no event shall ViVest-Europe be liable for any incidental, consequential, or indirect damages arising from the use or inability to use the products.
